PROJECTS

05/10/2021 – 10/12/2021

Elan Life

Elanlife is a web-based project built using a custom template in WordPress. The custom template in WordPress offers a user-friendly interface that allows users to customize their website's design, layout, and functionality. Users can choose from a range of pre-designed templates or create their own custom design using the template editor.

The custom template in WordPress is designed to be flexible and scalable, allowing users to easily add new pages, posts, and content to their website as needed. The template also includes a range of security features to ensure that the website is safe and secure from hacking and other cyber threats.
